

# THOMPSON TWINS

## INTO THE GAP [DELUXE 2 CD EDITION]

- After the huge success of “Quick Step & Side Kick” (which spent 56 weeks in the UK album charts), the Thompson Twins reconvened with producer Alex Sadkin at Compass Point Studios in Nassau and recorded “Into The Gap”, which went straight into the album charts at # 1 in February 1984. It also reached # 10 in the US and charted throughout Europe.
- The album was preceded by the Top 5 singles “Hold Me Now”, “Doctor! Doctor!” (# 11 in the US) and followed by “You Take Me Up” and “Sisters Of Mercy”. Each single release featured different, extended 12” mixes and non-album b-sides.
- This deluxe 2 CD release presents all the remixes from the original cassette edition of the album as well as the extended 12” mixes and the non-album b-sides, the majority of which appear on CD for the first time. All this adds up to 143 minutes of “Into The Gap”!
- The poster booklet features full annotation, singles sleeves and memorabilia from a fan’s extensive collection.
