## THOMPSON TWINS

### QUICK STEP & SIDE KICK [DELUXE 2 CD EDITION]

- Newly slimmed down to a trio from the seven-piece collective that had hit the charts in 1982 with "In The Name Of Love", the Thompson Twins were set to conquer the world of pop. With **Island Records producer Alex Sadkin** (Bob Marley, Grace Jones, Robert Palmer, Joe Cocker, Marianne Faithfull, Duran Duran, Foreigner, Simply Red etc) at Compass Point Studios in Nassau, they recorded "Quick Step & Side Kick", which peaked at # 2 in February 1983.
- The album's release was heralded by the **Top Ten singles** "Love On Your Side" (also a US chart hit), "We Are Detective" and "Watching" in early 1983. Being the era of the Pop 12", each single release featured **different 12" mixes and non-album b-sides**.
- This **deluxe 2 CD release** presents **all the remixes from the original cassette edition** of the album as well as the **extended 12" mixes** and the **non-album b-sides**, the majority of which appear **on CD for the first time**. All this adds up to **130 minutes** of "Quick Step & Side Kick"!
- The poster booklet features **full annotation, singles sleeves and memorabilia** from a fan's extensive collection.
